This new shop will be a cracker!!

This brand new store is at the front of a new Coles based shopping center with loads of complementary seven days tenants (Subway, Jetts, Gloria Jeans, Medical Centre). There is stunning signage facing the very busy Dholes Rocks Road.

Murrumba Downs is in the middle of the high growth northern suburbs of Brisbane with a lot of new houses coming, which will continue to build the store over coming years.

The shop had drive thru and restaurant service, and will be fitted out with a new and fresh stylish look. Fit out is nearly finished and awaits the new owner. We have been able to put together a one off offer for this store of \$275 000.
